

# RUN CZECH

## Running at airports or at a brewery? Everything is possible with RunCzech

RunCzech adds other 2 races to its summer season schedule. Registrations for Runway Runs in Karlovy Vary and České Budějovice have been open since several days, and now we can happily announce the launch of the Runway Run Prague and the Brewery Run by Birell. These events will give you the chance to run on the runway of Prague airport and at the area of the famous Pilsen brewery.

The Runway Run Prague will take place at the Václav Havel airport on the 18-19 July. The 5K course of the Sunset Run will kick off on Saturday evening at 9 pm. Sunday will be ideal for early birds, who can start their day by running the Breakfast Run of 5K, which will start at 8.30 am. The 3K Family Run for all the families will start at 10.00 am and 5.30 pm. All runners participating in the 5K courses will be rewarded with medals, but we have also prepared small presents for those running shorter courses. The Runway Park will be the place to be with many accompanying programs and where you will be able to see all the exposed planes.

Saturday, 1 August will be the day devoted to those enjoying a nice pint of beer after every race. The course will go through the real area of the Pilsen brewery: the historical cellars will be part of the course, so you can see the place where all the magic happens. All lovers of history surely will be pleased by the model of the brewery from the 19th century or the Brewhouse from the 1930s. The Brewery Run by Birell will start at 9 am with the 5K run. All kids between the age of 2-8 are welcome to participate at the Bambini Run and so are all the families for the dm Family run of 3K. For those who will be busy during the day, they can all join us for the evening runs. The Afternoon Run of 5K will commence at 6:15 pm and the Evening Run will come at 7:30 pm in the length of 5K. There will be an ice-cold Birell waiting for all the runners at the finish line together with an amazing medal. Accompanying programs will bring a wonderful opportunity to taste a unique beer, which will be brewed at one of the running areas.
