## **RunCzech opens registrations for the unique trail race - Mattoni Liberec Nature Run 2023**

**Mattoni Liberec Nature Run is the only trail race from RunCzech running series and the registration for season 2023 is already open. Thousands of runners run out of the city into the Jizera Mountains. The countryside race will head up the steep hill, the granite quarry and then through the forest to the Bedřichov dam. The participants can choose either a 12-kilometre course or a longer 22-kilometre course of the Mattoni Liberec Nature Run. The entry fee for the shorter course starts at 16 EUR for first 500 registered runners. The organizers also expect great interest in the longer 22 km track, where registrations start at 24 EUR. Entry fees can be purchased on the RunCzech.com website.**

*"We are happy that this race and the season 2022 were successful. We had more participants in Liberec than last year when the weather was even much better. It shows that people are still very interested in our events,"* said Carlo Capalbo, President of the RunCzech organizing committee.

The next sixth edition of Mattoni Liberec Nature Run will take place on September 30, and runners will again be challenged by Jireza Mountain but it is worth it for the feeling at the finish line.
