FOREWORD

BOHUSLAV SVOBODA

Dear participants of the Prague Marathon 2025,
Welcome to the festival of movement, adrenaline, endorphins, competition and maybe even a trace amount of pain. Prague is the most beautiful in the spring. But it's also beautiful at other times. The marathon is not just an endurance run but also an expression of a life attitude. It represents the desire, or even the need, to find the strength to push beyond one's limits. And I believe that for most of you, the marathon is also a way to keep fit physically, and mentally. „The thoughts that come to us during our walks are often of the greatest value,” said German writer and philosopher Friedrich Nietzsche. Consider what pearls will form in your mind as you run.

📍 Bohuslav Svoboda, Mayor of Prague

CARLO CAPALBO

Dear friends, partners, sport enthusiasts, runners! Welcome to the start of the 30th Prague Marathon! This year we are expecting the biggest marathon in many years, more than 10 000 of you will run! Another three thousand running families will take part in the accompanying events and 250 high school students will join in on Sunday. I feel very grateful for each and every one of you who participated in the marathon for thirty years, but also for the support of our partners, the City of Prague and the RunCzech team. You are all part of a great journey that started with one meeting with the legendary Emil Zátopek and a map drawn on a napkin. The journey has included many new friendships, rare encounters, a world record run in Prague, as well as difficult covid years and race interruptions. But we made it through it all and I look forward to enjoying this anniversary year together and many more in the future. ALL RUNNERS ARE BEAUTIFUL applies to each and every one of you who puts on your shoes and runs with us.

📍 Carlo Capalbo, President of the Organizing Committee

AGNIESZKA BOBRUKIEWICZ

Dear runners and fans,
We are incredibly proud to be the title partner of the 30th anniversary edition of one of the world's most beautiful running events – the ORLEN Prague Marathon 2025. For us, this partnership is not only about supporting sport, but also about celebrating human willpower, movement, and togetherness. At the same time, it is an opportunity to inspire people to lead active lives and support them on their journey of pushing their own limits.
We wish all the runners that every kilometer they run fills them with determination, energy and the joy of a fulfilled dream.

ALL RUNNERS ARE BEAUTIFUL

THIS IS WHAT WE BELIEVE. THIS IS WHAT SETS US APART. THIS IS OUR GUIDING STAR.

When we came up with the slogan ALL RUNNERS ARE BEAUTIFUL, it changed us. We became more than a collection of races. More than a company. We became an advocate, a champion of running for everyone.

We became a voice that called out to millions of runners around the world, letting them know that we love them unconditionally. That we respect the hell out of them for lacing up a pair of shoes, and pushing to make themselves a little better. A little stronger. That's what victory is, in our minds. Not winning, necessarily. But taking part and enjoying.

Running is a joy. That's the message here. And everyone who's willing to participate in this perfect, beautiful sport young, old, big, slim, fast, or slow— is welcomed. Is loved. Is beautiful.

ALL RUNNERS ARE BEAUTIFUL is a giant banner that every runner, in every running shoe, at every running event in the world can march under.

30 YEARS OF RUNCZECH

THE BEGINNING - LIKE SO MANY THINGS IN THE CZECH REPUBLIC, THE IDEA OF STAGING AN INTERNATIONAL MARATHON IN PRAGUE CAME OVER A PINT OF BEER. IT WAS A FINE AUTUMN SATURDAY IN NOVEMBER 1994, AND CARLO CAPALBO WAS SITTING IN A SMALL BAR WITH HIS FRIEND AND FELLOW ITALIAN GELINDO BORDIN, WINNER OF THE MARATHON AT THE 1988 SEOUL OLYMPICS. THERE AND THEN THEY DREW A DRAFT OF THE RACECOURSE ON A NAPKIN, AND DECIDED TO CALL EMIL ZÁTOPEK TO ASK FOR HIS SUPPORT.

The famous Emil Zátopek, who won three gold medals from the Summer Olympics in Helsinki in 1956. There were 985 runners, who took part in the first edition of the Prague Marathon in 1995, but it was not only that 985 who took part in the weekend of running. There were two other distances people could take part in – 9.2 km and 4.8 km. The capacity for these runs was increased several times, and in total 15 000 people (children and adults) participated.

1996 A new race is added to the marathon – the Gold 10 km for elite runners.

1997 The Junior Marathon students' relay kicks off for the first time, with the support of the European Commission. The gold 10 km is renamed, The Grand Prix. The number of marathon participants doubles to 1 848 runners.

1998 The course moves from Zbraslav to the city center and for the first time, the Prague Marathon crosses the Charles Bridge.

1999 An Half Marathon is added to the full Marathon and the Grand Prix. The debut of the Marathon Music Festival sets the atmosphere for the race day.

2000 A year after breaking a world record in 2:06:05, Brazilian elite marathon runner Ronaldo Da Costa heads to Prague where he is outrun by Kenyan Simon Chemoiwo.

2001 The running legend Haile Gebrselassie wins the Grand Prix. The new women's marathon record is set by Maura Viceconte from Italy (2:26:33).

2002 The first in-line skate race takes place the evening before the marathon and is attended by 530 skaters.

2003 The Prague Marathon is started by Václav Klaus, the President of the Czech Republic. The Grand Prix is now open to the public.

2004 Róbert Štefko's third place win in the Prague Marathon in 2:12:33 secures him a nomination to the Olympic games in Athens.

2005 The biggest star of the Grand Prix is Stefano Baldini, the champion of the Athens Olympics.

2006 The number of participants in the Prague Marathon is exceeded by the number of Half Marathon runners for the first time.

2007 The Marathon Sport Expo with over 30 000 visitors becomes the largest sports fair in the country.

2008 The Men's 10K Race, as a part of the Grand Prix, is awarded the IAAF Road Race Silver Label.

2009 The Prague Half Marathon is the first of our races to receive the IAAF Road Race Gold Label.

2010 We host our first race outside of Prague – the Half Marathon in Olomouc. The Prague Marathon is awarded the IAAF Road Race Gold Label.

2011 After Olomouc, Ústí nad Labem is added as a second Half Marathon outside of Prague. The first Gold PIM Kings, who ran all 15 editions of Prague Marathon, are announced.

2012 With a time of 58:47 at the Prague Half Marathon, Atsedu Tsegay becomes the fourth fastest man ever. With the introduction of another Half Marathon, this time in České Budějovice, a new brand is created called RunCzech comprising all the races in the Czech Republic.

2013 A brand new RunCzech headquarters called the Running Mall is opened in Prague's Letná district. RunCzech Running League expands to include the Karlovy Vary Half Marathon.

2014 The Prague Marathon celebrates its 20 year anniversary; the race is at full capacity by the beginning of the year. Prague completes its collection of Gold Labels as the Prague Grand Prix is also awarded the IAAF Road Race Gold Label.

2015 The Half Marathons in Olomouc and Ústí nad Labem are awarded the IAAF Road Race Gold Label.

2016 Eva Vrabcová finished the Prague Marathon in 2:30:10 and beat the Czech record previously held by Alena Peterková since 2000 by 58 seconds. Her performance secured Vrabcová a spot for the Rio Olympics. The RunCzech team starts to work on two races in Italy – Napoli City Half Marathon and Sorrento Positano.

2017 Kenya's Joyciline Jepkosgei, a member of the RunCzech Racing team, broke the world half marathon record as well as the 10km, 15km and 20km marks at the Prague Half Marathon on the way to winning the race in 1:04:52. Jepkosgei continued Prague stellar performance in September at the Prague Grand Prix where she bettered her 10 km world record to 29:43. A total of 9 event records and 4 Czech records were broken at RunCzech events in 2017.

2018 Eva Vrabcová Nývtová won the Prague Half Marathon among Czech women. With the time 1:11:01 she broke the record that had endured for 24-years. RunCzech kicked off EuroHeroes project, designed to support European Athletics and search for new local heroes like Zátonek. Also, Liberec Nature Run had its first edition.

2019 RunCzech reached a record in participants: 95 129 runners. Volkswagen Prague Marathon celebrates its 25th anniversary. EuroHeroes Challenge kick-off is held during Mattoni Karlovy Vary and České Budějovice Half Marathon.

2020 When COVID forced us to cancel all races, we launched a new 21k race only for the best elite runners in the World known as „Ready for the Restart“. Peres Jepchirchir has triumphed at Prague Ready for the Restart with a time of 1:05:34. This a new world record in women race only.

2021 We managed to organize 5 regional races and 2 new virtual projects were launched; Mattoni Run&Plog and Virtual Junior Marathon Championship.

2022 Restart after pandemic in full strength. Battle of the Teams was introduced at the Prague International Marathon for all runners.

2023 Return of EuroHeroes series which was a success for Czech runner Tereza Hrochova. New concept of family runs - family mile to attract even more people and families to run.

2024 We celebrated a new race record at the Prague Half Marathon by Sabastian Sawe (KEN) in 58:24 which was the 3rd fastest time in 2024. Regional races transformed to Mattoni Running Festivals with new shorter distances which were positively received by runners.

HISTORY OF PRAGUE MARATHON

CARLO CAPALBO: THE STORY BEHIND THE MARATHON

What was your favourite moment in all those 30 years of Prague Marathon?

Many moments, I remember a lot and I might have forgotten some as well. One of my favourite memories is when we welcomed Sebastian Coe. Such an amazing athlete and runner, world champion, European champion... he was happy to visit Prague again as he won one of his European titles here. But I cannot say just one memory.

Have you ever thought about running a marathon by yourself or do you prefer to be in charge and organize it?

Not now, of course, but now I can just organize. But I ran 12 half marathons when I was younger, I was thinking of running also a marathon but never did.

What do you think Emil Zátopek would enjoy the marathon today? The course, the atmosphere in Prague?

I think he would be stunned with all the tech and modern shoes! Imagine if we could measure his training today and he could wear carbon shoes like athletes today. I am sure he would want to try all these things. And I think running in Prague would be fun for him.

Is it harder to organize the race in 1995 or today?

In 1995 everything was a bit crazier and freer. We were bold enough to come up with an idea and just did it. Today organizing such an event needs more planning, more deadlines, more structure and a bit more rules and bureaucracy and stamps.

PLACES TO SEE IN PRAGUE

PRAGUE, THE CAPITAL CITY OF THE CZECH REPUBLIC, IS OFTEN REFERRED TO AS “THE CITY OF A HUNDRED SPIRES.” IT’S A HISTORICAL MARVEL THAT BLENDS GOTHIC, RENAISSANCE, AND BAROQUE ARCHITECTURE, MAKING IT A TOP DESTINATION FOR TRAVELLERS FROM AROUND THE WORLD. HERE ARE THE TOP FIVE PLACES YOU MUST VISIT WHEN IN PRAGUE TO FULLY EXPERIENCE ITS BEAUTY AND HISTORICAL DEPTH.

1. PRAGUE CASTLE

Dominating the city’s skyline, Prague Castle is not only the largest ancient castle in the world but also the beating heart of Czech history. The castle complex houses the Gothic masterpiece, St. Vitus Cathedral, along with the Old Royal Palace, St. George’s Basilica, and the Golden Lane. Walking through the castle’s grounds offers a journey through centuries of architectural evolution and the chance to witness the changing of the guard ceremony.

2. CHARLES BRIDGE

Connecting the Old Town with the Lesser Town (Malá Strana), the Charles Bridge is an iconic symbol of Prague. Built in the 14th century, this historic bridge is lined with statues of Catholic saints and offers picturesque views of the Vltava River and the city’s grandiose landscape. Visiting at dawn or dusk provides a magical experience, with fewer crowds and stunning light for photographs.

3. OLD TOWN SQUARE & ASTRONOMICAL CLOCK

The Old Town Square is the pulsating heart of Prague, surrounded by colorful baroque buildings and Gothic churches like the Church of Our Lady before Týn and the Old Town Hall. The square’s showstopper is the medieval Astronomical Clock, which puts on a captivating mechanical performance every hour. The bustling square also hosts various markets throughout the year, including the famous Christmas markets.

4. VYŠEHRAD

Vyšehrad is a historic fort located on a hill over the Vltava River in Prague, Czech Republic, offering panoramic views of the city. Today, Vyšehrad is not only a cultural monument but also a serene park, home to the Basilica of St Peter and St Paul, the Vyšehrad Cemetery, where many famous Czechs are buried, and ancient fortifications that whisper tales of the past.

5. DANCING HOUSE

Strikingly modern amidst the historic fabric of Prague, the Dancing House is an architectural marvel that stands out for its deconstructivist design, resembling two dancers. This unique building, also known as „Fred and Ginger,” after Fred Astaire and Ginger Rogers, showcases the playful, innovative side of Prague. While primarily an office building, its top floor features a restaurant offering splendid views of the city, making it a must-visit for architecture enthusiasts and those looking to see Prague from a new perspective.

THANK YOU PRAGUE

EuroHeroes is a RunCzech initiative that was created for three reasons. To make European athletes even more competitive on the world stage. To celebrate the greatness that exists among us. And to generate a fan base for local and regional runners with the hope of inspiring a new generation to follow in their footsteps.

With that in mind, we have designated four of our half marathons as EuroHeroes events, featuring only European runners. Each race is awarded with a WA Label and 5 star certificate from European Athletics.

ORLEN ACTIVE BREAKFAST

Get ready for the marathon. Come to ORLEN Active Breakfast!

We have prepared for you a relaxed meeting with a run the day before the marathon in one of the most famous running locations in Prague – Letná. RunCzech pacemakers and coaches from Running Mall will guide you along the approximately four-kilometre route, symbolically 1/10th of the marathon, at a pace of 5:30 to 7:00 minutes per kilometre, so there will be no racing, we won't be timing. It's all about getting ready for a great

performance in a friendly atmosphere and meeting other runners, after all, the ORLEN Prague Marathon 2025 will have the runners from over 100 countries.

You can pick up tips from other runners, the pacemakers themselves or even from the coaches from Running Mall. Eva Vrabcová Nývltová, 5-time Olympian, bronze medalist at the European Championships in marathon and former holder of the Czech marathon female record, will also be present.

DM FAMILY MILE & BAMBINI RUN

After a very successful series of dm family runs, we thought it was time for a change so we have started the dm family mile. Running more than 3km was limiting for some runners, either physically or mentally. The idea of 1 mile runs is attracting interest, not only because of its non-standard and more acceptable distance, but most importantly, it allows the entire running field to stay closer, sharing the running experience together.

NEW CATEGORIES:

- **Children without parents** (8-14 years)
- **Family and adults** (0-99 years)
- **Grandparents and grandchildren** (0-99 years)
- **Walk** (0-99 years)
- **Bambini run** (2-5 y / 4-5y / 6-7 years)

12 267 FAMILIES AND
KIDS RUNNING

DM BAMBINI RUN

So that even the little ones can enjoy the race, we also organize a dm Bambini Run. The run is completely free and each participant will receive a t-shirt, starting number and chocolate medal at the finish line.

The dm Bambini Run will be divided into three categories according to the age of the competitors. The race will have a limited number of registrations, so don't hesitate, because there is a lot of interest in the race!

NAPOLI RUNNING

NAPOLI RUNNING WANTS TO CREATE A FESTIVE ATMOSPHERE FOR RUNNERS FROM NAPLES, ITALY AND AROUND THE WORLD, BY PUTTING ON RACES WHERE THE RUNNER IS AT THE CENTRE OF THE PROJECT, WITH EXCELLENT ORGANISATION AND CERTIFICATION AT NATIONAL AND INTERNATIONAL LEVEL.

Over the years, Napoli Running has created a positive impact in economic and social terms, promote a healthy lifestyle, and strengthen the image of the Neapolitan area and its businesses, by giving Naples an international flavour and bringing many foreign runners to the events. Bosco in Rosa is a 5 km non-competitive race/walk, that will have only women participants. The race will take place in October and aims to bring more women into the

world of running. The Napoli City Half Marathon course follows one of the most beautiful seafronts in the world, with a unique, unparalleled panorama and in a historic city centre that is a UNESCO World Heritage Site. The race, awarded the prestigious World Athletics label and the 5-star quality award from European Athletics, has both the Italian men's and women's records.
