FOREWORD

OPENING WORD FROM THE PRESIDENT OF THE RUNCZECH ORGANIZING COMMITTEE, CARLO CAPALBO

Dear competitors and supporters,

We are gathering once again for another edition of the Mattoni Running Festival Olomouc. What makes this event a festival? Because it's not just about running races – it also includes a variety of accompanying runs that are suitable for all generations and runners of all performance levels.

We are very grateful to our partners, the Statutory City of Olomouc, and the Olomouc Region, whose support makes it possible to regularly organize this celebration of sport and community.

The entire running program kicks off at 3:00 p.m. on the Upper Square with the Šantovka 5K Run, continues with the dm family mile, and culminates in the evening with the traditional Mattoni Half Marathon. This main race is being held here for the fifteenth time, and participants will not only enjoy the running experience but also have the chance to take in the enchanting sights of Olomouc. All of this is made possible thanks to Mattoni, RunCzech's hydration partner.

The Olomouc Half Marathon is part of this year's EuroHeroes series, which, as usual, started in Karlovy Vary. EuroHeroes is a RunCzech initiative aimed at supporting European athletes, and I'm delighted that the starting line includes not only previous champions of the series but also record holders from RunCzech races.

On behalf of the entire organizing committee, I wish all participants and visiting fans a thoroughly enjoyable time at the Mattoni Running Festival Olomouc. May you experience pleasant and unique moments in this beautiful city.

EuroHeroes is a project by RunCzech, created under the patronage of the European Athletics Association for three main reasons:

- To increase the competitiveness of European athletes on the global stage.
- To celebrate their outstanding performances.
- To build a fan base for European runners in the hopes that they will inspire a new generation to follow in their footsteps.

With this goal in mind, we have designated four of our half marathons to be part of the EuroHeroes series, featuring only elite European runners. Each race holds the World Athletics Road Race Label and a European Athletics certification.

After a successful launch of the 2025 EuroHeroes series in Karlovy Vary and its continuation in České Budějovice, we now look forward to more exceptional performances in Olomouc. We'll see if new course records will be set. This year's start list includes familiar names from last season—such as Meritxell Soler from Spain and Nóra Szabó from Hungary, who impressed with her victory in Karlovy Vary and Mariia Mazurenko who won České Budějovice. Among the women, German runner Deborah Schöneborn is also among the top favorites. In the men's field, the leading contender for victory is Khalid Choukoud of Netherlands, who will be challenged by Dorian Boulvin of Belgium and Tariku Novales of Spain.
