## FOREWORD

### TEREZIE RADOMĚŘSKÁ, MAYOR OF PRAGUE I

Dear runners, visitors, and residents of Prague 1,

The year 2025 is once again marked by sport, movement, and shared experiences in the backdrop of the historic center of our capital. The Prague Grand Prix is one of the most significant sporting events in our calendar, and Prague 1 is proud to serve as its home ground. The evening runs through the streets, along the river, and past the city's landmarks combine professional performances with the joy of amateur runners. It is a celebration of a city that breathes sport, music, and the shared enthusiasm of thousands of people from the Czech Republic and around the world. I would like to thank everyone who helps make this event possible, and especially the residents of our district for their understanding and kindness. Without you, this exceptional edition would not be possible.

I wish all participants and fans wonderful experiences, and I wish for Prague 1 to continue to remain an open and welcoming place for life, sport, and inspiration.

### OLIVER JÁCHYMOVSKÝ SENIOR BRAND MANAGER CZ&SK, BIRELL

Dear runners,

It is my great pleasure that we are meeting again this year for another edition of the Birell Night Run Prague 10K, which has become an integral part of Prague's running tradition. For 10 years now, as the title partner of this event, we have been bringing you genuine refreshment and supporting the joy of movement. At the finish line this year, Birell will once again be waiting for you to make those final moments even more enjoyable and give you a taste for taking on new challenges. Be sure to stop by our Birell zone, where you can recharge, taste our new flavors, and share your experiences with fellow runners.

I wish you a wonderful experience, and we're glad you're running with us on a wave of refreshment!

### CARLO CAPALBO PRESIDENT OF THE ORGANIZING COMMITTEE, RUNCZECH

Dear friends, partners, sport enthusiasts, runners!

Welcome to the 2025 Birell Grand Prix Prague! This evening we celebrate running in the very heart of our beautiful city together with thousands of you who came to enjoy this unique night race. More than 10,000 runners will fill the streets of Prague, joined by families, beginners, and young talents who are discovering the joy of movement. ## ALL RUNNERS ARE BEAUTIFUL

THIS IS WHAT WE BELIEVE. THIS IS WHAT SETS US APART. THIS IS OUR GUIDING STAR.  
When we came up with the slogan ALL RUNNERS ARE BEAUTIFUL, it changed us. We became more than a collection of races. More than a company. We became an advocate, a champion of running for everyone.

We became a voice that called out to millions of runners around the world, letting them know that we love them unconditionally. That we respect the hell out of them for lacing up a pair of shoes, and pushing to make themselves a little better. A little stronger. That's what victory is, in our minds. Not winning, necessarily. But taking part and enjoying.

Running is a joy. That's the message here. And everyone who's willing to participate in this perfect, beautiful sport young, old, big, slim, fast, or slow— is welcomed. Is loved. Is beautiful.

ALL RUNNERS ARE BEAUTIFUL is a giant banner that every runner, in every running shoe, at every running event in the world can march under.

EMBARK ON A UNIQUE JOURNEY THROUGH THE STREETS OF PRAGUE IN A RACE THAT'S MORE THAN JUST TEN KILOMETERS - IT'S A CELEBRATION OF MUSIC AND MOTIVATION.

The course transforms into a vibrant festival, featuring 7 music zones and fan areas. The music program for RunCzech events is created in cooperation with the curators from United Islands and Metronome Prague, with whom we have been closely collaborating for several years.

Together, we select DJs and performers whose music not only supports runners with pace and motivation during the race, but also entertains and engages spectators along the course and in the finish zone. Each performer is carefully chosen with regard to the quality of their set, musical style, and ability to create a captivating atmosphere that perfectly matches the dynamics and rhythm of the entire race.

EUROHEROES

EUROHEROES

EuroHeroes is a project by RunCzech, created under the patronage of the European Athletics Association for three main reasons:

- To increase the competitiveness of European athletes on the global stage.
- To celebrate outstanding performances.
- To build a fan base for European runners in the hopes that they will inspire a new generation to follow in their footsteps.

With this goal in mind we have designated four of our half marathons to be part of the EuroHeroes series, featuring only runners raised or born in Europe. Each race holds the World Athletics Road Race Label. Runners need to complete at least 2 out of 4 EuroHeroes races consisting of Mattoni Half Marathons in Karlovy Vary, České Budějovice, Olomouc and Ústí nad Labem.

Scoring is based on the WA Scoring Tables, which allow for fair comparison across performances. The sum of the two best scores by the runner gives the final ranking.

## MATTONI RUNNING FESTIVAL

Experience the thrill of race day with RunCzech's newly introduced distances: 5k and 10k! Whether you're running takes you beyond the half marathon or if you're just starting out, our expanded race categories mean there's a place for everyone! Hurry, though—entries are limited!

Join the excitement of a RunCzech event, where you're guaranteed a professionally managed race, an electrifying atmosphere, exclusive medals, and plenty of refreshments. It's not just about the run; it's about the fun, camaraderie, and the unforgettable experience. Secure your place at the starting line today!

# DM FAMILY MILE & BAMBINI RUN

An integral part of most RunCzech running events are family runs, which take place during the marathon weekend in Prague and as part of the running festivals in Karlovy Vary, České Budějovice, Olomouc, and Ústí nad Labem, as well as at the trail run in Liberec. Thousands of participants in these events across the Czech Republic take home unforgettable experiences from the wonderful atmosphere of these sports and social gatherings, sharing magical moments alongside their loved ones.

Family runs entertain all age groups and are the true highlight of RunCzech events. Linked to the Family Mile are the equally popular races for the youngest participants – the dm bambini run over shorter distances.

## NEW CATEGORIES:

- **Children without parents** (8-14 years)
- **Family and adults** (0-99 years)
- **Grandparents and grandchildren** (0-99 years)
- **Walk** (0-99 years)
- **Bambini run** (2-5 y / 4-5y / 6-7 years)

**12 267** FAMILIES AND  
KIDS RUNNING

## DM BAMBINI RUN

So that even the little ones can enjoy the race, we also organize a dm bambini run. The run is completely free and each participant will receive a t-shirt, starting number and chocolate medal at the finish line.

The dm bambini run will be divided into three categories according to the age of the competitors. The race will have a limited number of registrations, so don't hesitate, because there is a lot of interest in the race!
