ALL RUNNERS ARE BEAUTIFUL

THIS IS OUR BELIEF.
THIS IS OUR EDGE.
THIS IS OUR NORTH STAR.

When we created
ALL RUNNERS ARE BEAUTIFUL,
we became more than an event organizer
— we became a global movement celebrating
every runner's journey.

Our message to millions around the world
is simple: we deeply respect every single person
who laces up and steps out to push their limits.
True victory isn't measured by the clock or gold
medals; it's defined by courage, participation,
and the pure joy of the run.

Running belongs to everyone. Regardless of age,
body type, background, or pace, you belong here.
You are welcomed, supported, and celebrated.

ALL RUNNERS ARE BEAUTIFUL
is the universal banner that unites us all,
one stride at a time.

RUNCZECH & WORLD ATHLETICS LABELS

TO GUARANTEE TOP-TIER STANDARDS, THE INTERNATIONAL ATHLETICS FEDERATION IAAF (NOW WORLD ATHLETICS) INTRODUCED A QUALITY CERTIFICATION SYSTEM IN 2008. RUNCZECH BY NOW ESTABLISHED ITSELF AS THE WORLD LEADER IN TOTAL DESIGNATIONS EARNED (109).

Specifically, this includes **47 Gold, 13 Silver, 2 Bronze**, followed from 2021, when World Athletics replaced the original three-tier structure (Gold, Silver, Bronze) with a new framework (Platinum, Gold, Elite, and World Athletics Label), by **16 Elite** and **31 World Athletics Labels**, collected across nineteen seasons. Internationally, this number of events certified by the World Athletics is completely unmatched by any other organisation in the world. In 2026, RunCzech remains the sole independent organizer globally hosting a total of 8 races with this prestigious distinction at the same time in one calendar year. **This puts RunCzech as number 1 both in historical number of labels collected (109) as well as number 1 in number of races in 2026 (8).**

RUNNING DOCTORS

RUNNING DOCTORS WERE ESTABLISHED IN 2026 AS A NEW INITIATIVE FOCUSED ON IMPROVING SAFETY AND MEDICAL CARE DURING RACES.

The project debuted in February 2026 at the Napoli City Half Marathon and was subsequently introduced at RunCzech races. Its goal is to bring medical expertise directly onto the course – Running Doctors run alongside participants and can respond quickly and provide assistance in the event of a medical emergency.

Who are the Running Doctors?

Running Doctors are qualified health professionals who are also runners. By combining clinical knowledge with personal racing experience, they can act quickly, calmly and efficiently directly in real racing conditions.

Runners should keep in mind that Running Doctors are not equipped with all the necessary medical supplies. Their main role is to provide medical support and, if necessary, advise participants on how to proceed with a health problem. Running Doctors are supported by Generali Česká Pojišťovna.
